

CLINIC APPLICATION INSTRUCTIONS

1. Schedule your clinic at least 30 days in advance (60 days preferred). All clinic dates need to be approved by the State Referee Committee or its designate to ensure that equipment, materials and instructors will be available.
2. Complete the form with all information and send it with the bond (payable to **SRA**) to
SRC
PO BOX 495
Wheat Ridge, CO 80034
3. Once the clinic date has been approved and the bond money received, the clinic will be posted on the state referee website, www.coreferees.org.
4. Advertise the clinic within your local area through schools, your club office and website, coaches' clinics, etc.
5. Pre-register as many individuals as you can. If you have more than 40 applicants for an entry level Grade 8, Grade 9 or Bridge clinic, we can schedule a second clinic. Approved Recertification clinics should have space to seat between 100 to 300 attendees comfortably.
6. A club check will be necessary at the end of the clinic for the balance owed to the SRA based on the numbers of applicants attending and passing the clinic. If the minimum number of attendees is met, then 100% of the bond money will be applied to the balance owed. If there are any funds owed back to the club, the money will be refunded.
7. The sponsoring organization is required to have someone on site during the clinic to lock/unlock the facility and to help monitor students during the class.
8. Key items to consider when choosing a facility for the clinic:
 - a. Will your room hold the minimum number of students?
 - b. What is the maximum number of students the facility can handle?
 - c. Are the following items available at the facility or can they be in place for the class?

TV/VCR or DVD	LCD Projector	Screen
Sound System	White Board (or chalk board)	Field / grassy area

BOND REQUIREMENTS

Course	Denver/North/South Areas	Mountain Areas
Grade 9	\$450 (minimum 20)	\$440 (minimum 8)
